

Beauty is You, INC.

Ambassador Program

Overview

Beauty is You, INC. (BIY) seeks campus Ambassadors to help promote and continue the work of the organization. Ambassadors will work within their college/university to raise visibility of the organization and facilitate the mission. Pursuing duties such as those below, that play to their own individual strengths and abilities, Ambassadors will work to share their knowledge and help motivate others to do the same by utilizing the framework provided by Beauty is You, INC.

Mission

Beauty is You, INC.'s mission is to improve and strengthen confidence and self-esteem while educating and empowering women in the community.

Duties

- Understand the mission of BIY by reviewing material that will be provided
- Connect with BIY board members with campus needs, challenges and opportunities
- Network within the campus with other student organization(s) that align with the same mission as BIY
- Be a source of information about BIY programs/events/resources
- Assist with BIY event(s) that are held local (to the campus)
- Facilitate 1 or more support group meetings for other students to obtain resources and/or other support
